Creating Safer SpaceSafeguarding Training

Foundation Module Refresher 2016 Edition

The Methodist Conference 2015 accepted the following resolution

The Conference directs those for whom the Foundation Module is mandatory to undertake the additional training element of the Module (as set out in para 3.1 of the report) five years after having undertaken the Foundation Module.

Para 3.1 of the Safeguarding Report

3.1 The Creating Safer Space safeguarding training programme continues to be rolled out thanks to the commitment and dedication of the districts. The updating of the Foundation Module has been delayed. This overdue work could now be usefully combined with the development of the Foundation Module Refresher training required in 2016. This additional training should be undertaken by those for whom the Methodist Conferences in 2011 and 2012 agreed Foundation Module attendance to be mandatory and for whom five years have elapsed since they undertook it.

NOTES:

- 1. People in the above roles who have received safeguarding training in other roles (eg as a teacher or police officer) still need to attend. The training is specific to the church context. In the same way, such a person would NOT be exempt from education/police training, because they have done the church training. Their attendance is also valuable because of the expertise they can share with other trainees.
- 2. Property stewards/keyholders/caretakers. This covers a multitude of activities. Where these people have direct contact with vulnerable groups, it may be decided locally by the Church Council that they should attend. They are listed here in the second group to avoid unduly including people who have no apparent link at all with safeguarding.
- 3. Church and circuit stewards are included on the core list because of their important role in church life, and particularly their responsibilities in responding to adults who may be vulnerable, who might attend any church service on an ad hoc basis to access support. Where age or infirmity suggests that an exemption is needed, this should be the decision of the Church Council or Circuit Meeting.
